

Catton Grove Community Centre

Jewson Road, Norwich NR3 3RD

Catton Grove Community Centre supports a wide range of community activities and services. Many of our activities are run by volunteers, here are some ways that you could help support your local Community Centre...

Community Centre Management Committee The Community Centre is managed on licence by a voluntary management committee which is an unincorporated association registered with the Charity Commission. We are looking for more local residents to join the Management Committee. Ideally, we are looking for people with some experience of working in either a community or voluntary sector project and / or managing community buildings but training and support will be available if you are willing to get stuck in and learn skills as you go! The Centre Management Committee meets once a month.

Community Centre Gardener Do you enjoy gardening? We are looking for a volunteer gardener 2-3 hours per month to help keep the grounds of the Community Centre neat and tidy. If you enjoy outdoor activities such as weeding and pruning this would be a great role for you! Flexible hours to suit your availability, tools supplied, training is available but you must be able to work unsupervised.

Catton Grove Community Lunches Our community lunches are held on the first Tuesday of each month. We offer a home-cooked 2 or 3 course meal, alongside a range of light snacks such as toasted sandwiches and jacket potatoes. We are looking for volunteers to help support the Community Lunches in a number of ways including food preparation, serving meals and washing up. Training and ongoing support is available. No previous experience is required, we are looking for friendly, enthusiastic volunteers who enjoy working as part of a small team.

Social Media Champions The Community Centre supports a wide range of community activities and services. We want as many people as possible to benefit from what is on offer and we regularly promote what we do via our Community Centre Facebook page. If you live in the Catton Grove area and enjoy using social media, please follow our Facebook page and share our Facebook posts with your friends and family.

If you are interested in any of the volunteer roles above, please call 07761 426381 for more details
