

# Digital Skills / Social Media

**Catton Grove Big Local - Digital Skills Supporters** In a world where everything seems to be moving online, local residents are at risk of being left behind if they don't have digital skills. We are looking for volunteers to help support local residents to learn basic digital skills such as how to send and receive an e-mail or to use the Internet for the first time. Sessions could be in a small group or one-to-one support. We are not looking for technical experts, just local residents with a moderate level of knowledge and enough patience to support people who are using IT for the first time! A DBS check may be required for volunteers if you are supporting someone on a one-to-one basis.

**Catton Grove Big Local - Social Media Champions** For members of the community who are active social media users, become a Big Local Social Media Champion by liking our Big Local Facebook page and share our Big Local posts via your own social media pages.

**Mile Cross Library - Digital Buddy** At the Library, we have 10 public access computers which are very well-used. Using a computer can be a daunting task if you don't use one regularly. Volunteer digital buddies are on-hand to help people when they get stuck or don't know where to start! Activities may include supporting someone to write a CV or complete a job application online, send and receive e-mails or learn how to find information using the Internet. We are looking for patient, friendly volunteers who can support and encourage visitors to the Library on a one-to-one basis. We are looking for Digital Buddies at various times throughout the week, 2 hours per session. As this role may bring you into contact with vulnerable adults a DBS check will be required for this volunteer position.

**Catton Grove Community Centre - Social Media Champions** The Community Centre supports a wide range of community activities and services. We want as many people as possible to benefit from what is on offer and we regularly promote what we do via our Community Centre Facebook page. If you live in the Catton Grove area and enjoy using social media, please follow our Facebook page and share our Facebook posts with your friends and family.

**The Friends of Waterloo Park - Social Media Champions** For members of the community who are active social media users, become a Waterloo Park Social Media Champion by liking our Friends of Waterloo Park Facebook page and share our posts via your own social media pages.
